

Making the most of the NDIS

South West Qld
9 – 13 May 2016

The **National Disability Insurance Scheme (NDIS)** starts in South West in **January 2017**.

The NDIS is a new way of supporting people with a disability across Australia.

Participants will receive flexible funding tailored to their individual goals.

How can I get ready for the NDIS?

What goals do you have around home, work, or education? How about your friendships and interests?

The NDIS provides an important opportunity to “think big” about what a good life looks like for you.

While this opportunity sounds promising, navigating any new system can be confusing!

CRU warmly invites you to explore how you can make the most of support through the NDIS to help achieve your goals. Worker sessions are also available.

What is the Community Resource Unit Inc. (CRU)?

CRU is a small organisation that believes people with a disability deserve access to the same life as everybody else. We have a 28 year track record of working throughout Queensland to help people with a disability live a good life.

We have been funded to provide information and help people get ready for the National Disability Insurance Scheme.

Even if you cannot make it to an event, we would like to hear from you so give us a call.
