

Dental Assistant, CA2 or CA3 Charleville

Permanent Flexible Full Time 76 hrs p.f.

Your opportunity

When employed as a Dental Assistant within the South West Hospital and Health Service, you will work as part of the Dental Team to assist in the provision of Oral Health Services. These services are delivered within fixed and mobile facilities located in hospital and school environments by using high level dental assisting skills.

Demonstrate a high level of skill or willingness to acquire sufficient knowledge in all aspects of dental assisting, including infection control, and clinical support for all relevant age groups.

There may be a requirement for this position to be vaccinated with the current years' influenza vaccine and COVID-19 vaccine, dependant on health directives issued by the Chief Health Officer.

The very nature of what we do and who we are is the real opportunity. Providing health care support in the bush is full of challenges, however, it remains the most rewarding of human experiences.

What we can do for you

Ultimately, we provide you a platform to leapfrog your career with more opportunities to experience a wider scope of practice with less competition due to location and population.

Nowhere else will you experience the vast diversity of career advancement other than in rural and remote Queensland.

- Up to 12.75% employer superannuation contribution!
- Great opportunity to kick-start your career with an industry leader!
- Play a pivotal role in supporting our teams delivering better health in the bush!

Salary: \$53,500 - \$66,500 p.a.
